Russell – Fort Washington is close to Monica, but Ada line is huge. I thought it was going to be in Maryland. He was told that this park is in Pennsylvania. Veda was saying it would be great to get the Ada line up to Pennsylvania up. Issac is on the Memorial in Wash DC. Yes it is. Russell stated that Louisa was buried in Wash DC. There was quite a bit of discussion on this topic between Russell and Veda regarding having a future event to honor this discovery.

Khaalida suggested that Veda “speadhead” the 2024 Family Reunion at Fort Washington State Park. Veda has accepted the role - new and old generation. Aunt Bertha to keep it plain and simple to get the people there. I’m more than happy to get it going. Membership Table (Brice), etc. Anything for the family.

Any thoughts on the dates? Brice – early August. Kim – that is not good for me. Brice stated that the Carter line may be having a family gathering in mid to late August. Judy?? stated that “It is best to coordinate with them to have them there”. Brice stated tha he will get back to the group about the date because the Carters are planning to do a 5 year reunion in Vegas in early September. Judy called Chuck who told her that their date is August 31st. Veda again mention July 27th due to the 32nd anniversary of the first reunion. The group stated that since the Carters are doing their event on August 31st, “we don’t want to interfere with the Carter date.” Any thoughts on the July dates? Barbara stated “I like the July dates because my son is graduating so it gives us a better chance of being there.” Kim stated “I like the significance of the 27th of July”. Khaalida then called for a vote and there was a majority of vote for July 27th 2024. Veda, Jennifer, Khaalida and Barbara (in Maryland) volunteered to be on the planning committee. The next step is the deposit (\$145 and \$6 (processing fee)). Jennifer made a motion to collect the funds to send in the deposit.
