Old Business – Family Picnic – give the floor over to Veda and Hank. Khaalida has hotel information. She also has an update from Jen who connected with Justin who gave a list of food that \$2000 with a family discount; so the final cost is \$1700 for 150 people. Robin suggested that the cost be based on estimated attendance as we get closer to the date as the number of people may be less or even more. Veda suggested have the family bring the food since our family is so large. Club Q to pay for some specific. Get the word out, and as Queenans do it the way it used to be done where everyone brings food. Have a few men who will

volunteer to be “on the grill”. To lower the expenses. Khaalida stated that in the past, Club Q did pay for the meats. Veda suggested reaching out to other Queenan lines (not just the Benjamin line). We are trying to bring everybody together so it doesn’t land on the “same people”. Several members chimed in for what they remembered in the past. Signup Genius was mentioned to save on expenses. We need 3 committees. Food committee, Activity committee and clean up committee. Cousin Kim reached out to Veda to do whatever she can do regarding the picnic and her daughter Barbara wanted to know when the meetings would be held. Regina was good with the sign up sheet if people volunteer. Faye chimed in and stated that she is on the committee. Veda stated that we have the date reserved. 7 out of 8 people voted to have a date “pole” to give the family 3 dates to generate interest. 7/27, 8/3 and 8/10. The next meeting will be in person at Khaalida’s house. Faye has a quote of \$100 to cook the food. Faye will be there at 7:30 a.m. to help the “cook” to set up.

Faye closed out the meeting at 3:12 p.m.
