2026 Reunion Update - Robin stated that there are 14 families interested in attending the 2026 reunion so far and 3 people paid the \$26 to date. Hanky stated that there are 3 large Queenan groups and that the family was not receiving the information. Robin stated that its only been 8 days and the announcement went out to over 200 plus Queenan, Carters and related family members. She encouraged everyone to forward the flyers and links. Shawn stated that he will be visiting Charleston soon and will be generating information to post on Twitter and Instagram for the younger generations. Veda had an idea of a family type “newsletter” to post family news which can also include the updates on the planning of the reunion.
