Minutes

Robin did not read the minutes from the November meeting as the minutes were not issued. Basically, the summary of the November meeting included a decision to change the location of the 2026 Family reunion from Charleston, South Carolina to Philadelphia, PA. Khaalida took the lead on contacting the Spirit of Philadelphia and give the attendees an overview of the cost. Robin took the lead on the hotel and selected the Valley Forge Embassy Suite because of the cost (\$169 for a 4 person suite, free parking and cooked breakfast). In addition, Robin gave the group African American activities at the nearby Valley Forge park regarding the role we played in the Revolutionary War.

The transportation options are below:

To transfer 55 people from Embassy Suites Valley Forge to the Spirit of Philadelphia at 5 p.m. and return at 11 p.m. on August 8, 2026, here are the best transportation options:

 Group Transportation Options

Mini Coach Buses	2 × 28-passenger buses	56 passengers	\$2,000–\$2,400
Limo Buses	4 × 14-passenger limo buses	56 passengers	\$2,400–\$3,000

The proposed launching of the 2026 Family Reunion can be set for 2/14 announcement with a 3/15 opening for registration.

The committee proposes using the funds from the Eventbrite for people who are already paid the \$26.00 deposit representing the year 2026. The deposit can be for their transportation.

The launching of the 2026 Family Reunion website can be linked to the ClubQ website.

Financial Report

Carol read the financial report. The total is \$11,087.16 (including Hank Wright's 2026 dues). The scholarship amount is \$267.00. The amount minus the scholarship amount is \$10,820.16. Carol read a message from the 2025 award winner (Janae Sellers Morales) which was very touching and confirms the impact that Club Q has made on our young family members who have received a Queenan Family Scholarship of \$500.

New Business

Cousin Jennifer Henderson and Danielle Mack proposed finding a hotel in Philadelphia (given that it's the 250 anniversary of America). Jennifer found the Wyndam hotel at \$158 a night and \$40 for parking and only \$15 transportation to the Spirit of Philadelphia location.

Cousin Vicki suggested a hotel near the Philadelphia Airport as there is an Embassy Suites nearby.

Cousin Robin's concern is the hotel in Philadelphia is not a suite and a family of 4-6 might be more comfortable in a two room suite with microwave/refrigerator and hot cooked breakfast. She asked to do a comparison on the amenities so everyone can make a sound decision.

Cousin Robin and Faye will look into what a charter bus will cost from Valley Forge to downtown Philadelphia.

(Cousin Robin just sent a quote request to Ace Limo Service for a 56 passenger bus) and received the following: Thank you for contacting Ace Limo Service.

If you do not hear from our reservation staff in 24 hours, please give us a call at 610-494-6545.

The meeting was adjourned at 3:30 and Cousin Faye closed out the meeting with a prayer.

Next meeting is 2/21/26
